Re: Annual CPNI Compliance Certificate of Switch & Data Facilities Company, Inc. (499
Filer ID 825066) – EB Docket 06-36

Dear Ms. Dortch:

Attached please find the Annual CPNI Compliance Certificate and Statement of CPNI Operating Procedures of Switch & Data Facilities Company, Inc. ("Switch & Data"). At this time, Switch & Data is a provider of telecommunications, within the meaning provided under 47 U.S.C. §153(43), but not a "telecommunications carrier" as defined in 47 U.S.C. §153(44). Switch & Data provides a single discrete high-capacity Ethernet service between New York and Canada to less than ten enterprise customers, all of whom are under contract, with dedicated account representatives. This product is grandfathered and Switch & Data are not offering it to new customers. As such, Switch & Data believes it is not required to submit a Certificate, however, Switch & Data is filing an Annual CPNI Compliance Certificate and Statement of CPNI Operating Procedures in an abundance of caution.

Sincerely yours,

WOMBLE CARLYLE SANDRIDGE & RICE

Switch & Data does maintain and utilize CPNI for the limited purposes of initiating, rendering, billing, and collecting of its services, and may use CPNI, if necessary, to protect its property rights. Switch & Data has implemented measures to discover and to protect against unauthorized attempts to access CPNI. Switch & Data also has implemented procedures pursuant to which it will track breaches of CPNI, and it will notify the United States Secret Service and the Federal Bureau of Investigation. Switch & Data will notify its customers (if permitted) of the security breach, and will notify of the breaches and notifications for a two-year period.
